

Dear Senator Dianne Feinstein; ③

My name is Christina E. Brown and I am one of many frustrated parents in California dealing with the lack of communication, or co operation, or assistance from the local sovereign nation tribes.

I've been going thru a divorce now going on three years thru the California Family Court system. My soon to be ex husband is a native American from the Viejas band of Kumeyaay Indians a sovereign Nation wealthy due to a casino. In a nut shell he is unwilling to co operate in co parenting our four children ranging in age from seven to seventeen in every way.

I've enclosed all the steps I've taken from the Family Superior Court who cannot get him to comply with courts due to his Sovereignty also to corresponding and speaking with his tribe with no resolution.

Any and all assistance you can render me and those in the same situation will be greatly appreciated. I am one of many parents of Native American children who are now on the welfare roll.

Sincerely ; Christina E. Brown
